REISSE

BROTHER-IN-LAW'S CONNECTIONS WITH THE MILITARY NEIGHBOURS
AND WITH THE SWEDS (1944)

From: STOCKHOLM:

To: MOSCOW

No: 369

25 Jan. 44

To VIKTOR[i].

Reference your No. 296[a].

BROTHER-IN-LAW [TYAF'] [ii] has already been working with the Military Neighbours [iii] for several years; he is in contact with NIKITIN [iv]. I have noticed [that] [b] the Swedes plant [PODSTAVLYAF'] BROTHER-IN-LAW on us at every convenient opportunity. Relations with BROTHER-IN-LAW have not been fully regularised on an agent network basis and probably BROTHER-IN-LAW is reporting to the Swedes on meetings with NIKITIN. We think that it is not expedient for us to carry out any further investigation of BROTHER-IN-LAW.

No. 44

VALERIAN[v]

Notes: [a] Not available.

[b] Inserted by translator. The conjunction should not be omitted in Russian. This is presumably an wording error.
